### PLANNING: ACADEMIC

The Upper School Academic Program catalog will help you plan the courses you intend to take throughout high school. You should be able to map out most of your principal academic courses for the four years. In addition, you can plan ahead for the College Board Scholastic Aptitude Tests (SAT and Subject Tests), and the ACT's.

INSTRUCTIONS: Consult your advisor and parents as you fill out this form. It will be kept by your advisor.

NOTE: Regarding entrance into honors and AP courses, please see the course catalog for specific criteria. Five courses are expected of students in each of their high school years.

## ACADEMIC PLANNING GUIDE

### PLANNING: NON-ACADEMIC

This sheet is to help you and to keep a record of your outside interests and activities. It should be revised each time you plan your courses for the next school year. Over the years, goals change, likes and dislikes change, and this ever evolving annual planning guide should reflect this. This information will be kept by your advisor.
